Dear Parents,

Happy New Year! Believe it or not, it's time for early registration for the 2017-2018 school year.

By registering early, you will be paying this year's tuition rates rather than next year's rates, which will be higher than this year's rates.

This will also ensure that your child has a space in their class in the Fall. This is extremely important for our current Centipedes, Beetles and Grasshoppers classes since many of our part time students will jump to 5 days per week for their Pre-K year (which we recommend in order to best prepare your child for Kindergarten).

Early registration will be open for current Stages students only until January 31, 2017, at which time it will open to the public at large. After February 1, we will not be able to guarantee a spot for any current children who have not submitted their early registration form.

Please let us know if you have a sibling that you are interested in enrolling and we will make sure that we open the spaces to you prior to releasing the spaces to non-Stages families.

In order to hold your child's spot, you need to submit the attached form and either pay the invoice or provide cash or a check for the Fall registration fee of \$100 plus one week's tuition by February 1st. This payment is non-refundable.

If you have any questions, please do not hesitate to ask.

Sincerely,

Deena and Ashley
